

Dear Parent(s),

It is our great privilege to invite you to partner with us for a historic event in our town. The Old Bridge “St. Jude Children’s Hospital Triathlon.” Our slogan is “Striking at Cancer – Kids Helping Kids.” Our goals are as follows:

1. **Empower children** to change their world by helping other children stricken with cancer.
2. **Raise funds** for St. Jude’s Children’s Research Hospital.
3. **Promote healthy lifestyles** through physical exercise.

On Saturday September 12^h the children of Old Bridge Township will be meeting together for a first time ever- Kids Triathlon at the Old Bridge Lombardi football field in Carl Sandburg Middle School to raise awareness and funds for St. Jude.

We need your help in the following ways:

1. Allow your child to participate by joining us on September 12th.
2. Have your child donate \$3.00 of their own money to St. Jude’s. (This is not mandatory as awareness is the primary goal. However, donating more is obviously permissible as well).
3. Watch some of the St. Jude stories on our website at www.OldBridgeATA.com/st.jude so your child will have an idea of how cancer affects children and what St. Jude is about.

We want your child to have the personal satisfaction of making a difference. If every child in Old Bridge opens their piggy banks and donates \$3.00, together we can start forcefully “Striking at Cancer.” **100% of the proceeds will go to the St. Jude Children Research Hospital.** St. Jude’s is the #1 research facility for children’s cancer research. Please help us and be there for this wonderful organization and their many young patients by supporting this extraordinary event.

Yours Truly,

Dr. Simon Bosco
Old Bridge Superintendent of Schools

Lieutenant Colleen McNamara
Old Bridge Police Department

John McInerney
Old Bridge ATA
President
